

This 10 part course is designed specifically for busy dental practitioners. Our experienced team will guide you through all parts of the MJDF examination. The course will consist of one evening meeting each month for ten months beginning in September 2009 and candidates will be able to complete the whole assessment by the end of 2010

The effective way to MJDF success

Course fees include:

- Lectures by National and International speakers on key areas
- Guidance on coursework preparation
- Mentoring of coursework elements
- Coursework assessment and certification
- Mock examinations
- Advice on examination technique and preparation
- A CD-ROM of essential information
- Handouts
- A buffet meal at each meeting.

"Really helpful, I would have stood no chance passing MJDF without this course"
Chris Travis, Rochdale

"The course CD alone is worth the fee, excellent course"
Stefanie Williams, Stockport

"I'd like to thank you for your high quality course and teaching"
Andy Tyler, Northwich

"Thank you for your support and guidance, I would never have even known where to start let alone pass"
Julia Boland, Wigan
